

All classes appropriate for elementary and middle school aged students

### 3 FUN AND EXCITING CLASSES WILL BE OFFERED THIS FALL:

#### **Organizational Skills** 4:00pm-4:45pm

Organizational skills refer to a broad range of skills in which students can increase their effectiveness at school. Topics include things like what to do before and after class and organizing and using a notebook. A variety of materials and activities will be used to build skills and have fun while doing it.

#### **Under the Sea** 5:00pm-5:45pm

This program incorporates a wide variety of activities to address and reinforce social competence and understanding through games, music, arts and crafts, and relaxation exercises.

#### **Superflex!** 6:00pm-6:45pm

A fun, motivating, and non-threatening program for students to explore social thinking while increasing their knowledge of social expectations, their awareness of their own behavior, and how to modify their behaviors using Superflexible strategies.
