

# WFS FINANCIAL 2006 GOLF CHALLENGE

We are pleased to announce our Fourth Annual WFS Financial Golf Challenge will be held on **September 13, 2006** at the Fairways at West Terrace to benefit the Northwest Autism Center (NAC).

We invite you to join us in this exciting event by becoming a sponsor or golf participant. It promises to be a great time filled with food, fun, and all proceeds donated to a worthy cause, the NAC.

In November 2001, the Autism Task Force of Spokane began as a community-wide effort to address the needs of children and adults with autism and related disorders. The efforts of this group contributed to the development of the Northwest Autism Center, a federally approved non-profit organization committed to providing and coordinating services for children and adults with autism.

The NAC currently operates from office space donated by the Arc of Spokane, and the success of the Center is dependent on community support. Your participation in this event will impact the lives of the children, adults and the families who rely on and benefit from the services provided by the Northwest Autism Center. We invite you to take part in the assistance that the NAC provides to these families by becoming a tournament sponsor or participant.

The NAC is an organization that is near to our hearts here at the Spokane Regional Business Center. In November of 2004, Reed Lytle's son, Isaac, was diagnosed with an autistic spectrum disorder. Since then, he has undergone various forms of treatment and has made remarkable progress. Thanks to an early diagnosis, early intervention and intensive treatment, he has an excellent prognosis for the future. The NAC is committed to helping families like Reed's, which makes the success of our Annual Golf Challenge even more essential.

If you should have any questions about the tournament or about sponsorship, please contact Jamie Lacher or Randy Gehlen at 509.570.3154 or 509.789.1925 respectively. Thank you very much for your interest in sponsoring the Northwest Autism Center through our Golf Challenge.

Thank you for your support,  
WFS Financial
